Subject: Hemel Champs

To all Hemel Ski Race Club Members:

In response to queries raised, please note this clarification issued by the Committee in connection with the Hemel Championships:

All entries from valid club members, full and associate, for the Hemel Championships will be accepted according to the current entry criteria (first come basis) but the HSRC Committee wish to confirm that full or associate members who have not trained with the club since moving back to Hemel on the indoor snow (i.e. during the four months from 6th May to 31st August 2009) will not be eligible for the award of any perpetual trophies, sponsorships or the like. Medals will however be awarded for podium places achieved by any members and associate members who fall into this category. This ruling was not previously published as the Committee considered that this may put undue pressure on some people to train, something we have tried to avoid to date. A review of training attendance has also afforded the Committee the opportunity to assess the commitment to the club of members going forward.

We trust that the membership will understand our reasoning; we now have over 360 members and felt this was the correct course of action to be taken so as to be fair to the vast majority. If this ruling causes any undue difficulty then the Committee will be happy to refund the entry fee of anybody wishing to withdraw.

Kevin Driscoll

Chairman

Hemel Ski Racing Club
