

Hemel Ski Racing Club

Committee Meeting Minutes

April 22nd 2010

Present – Dermot Flahive, Andrea Grant, Sheila Driscoll, Jacqui Aikens, Amanda Rolph, Steve Lambert, Clive Schofield

1. **Apologies** - Lucy Newman, Phil Brown, Nick Warmington, Sarah Macmillan ,Cathy Bierrum
2. **Minutes** - no matters arising
3. **Hemel CN Feedback**
 - We need to ensure that we have clear communications with the Snow Centre with all meetings documented so that all concerned know what has been agreed.
 - The provisional timings board needs a proper home.
 - Racer's skis need to be put in the racks and not left against the walls or in front of doors.
 - Special thanks must be extended to the course crew who worked hard to keep the course in good condition and left the hill after the race ready for the public.
 - Overall the race ran smoothly and the feedback has been positive.
4. **Plastic Training Update** –
 - There has not been enough interest to set up a formal club night but we will try and run sessions at WGC on a Friday night on a casual basis to tie in with the outdoor Summer League races.
5. **Wednesday Evening Training**
 - We don't recommend it, but we will allow CH1 second year and above to train on a Weds evening subject to behaviour on the slope.
6. **Equipment Use and Storage**
 - Wayne Cooper has made a suggestion for a storage solution but we are still awaiting a quote and we need to get approval from Dave Surrey. **SL** will chase up both points . At the moment the equipment is stored in the riser cupboard in the entrance area.
 - **All** equipment is available for training but we must take care of it and the coaches must ensure that it is put away at the end of each session.

- The final cost of the new equipment was 2000Euro with the only thing outstanding being a drill.

7. Training attendance and costs

- The numbers attending training were discussed. The numbers of 'no shows' has decreased and members are now used to the 'booking' procedure.
- We are going to run another trial night on a Saturday to move people on to the accepted waiting list allowing them to move into the club as space becomes available.
- The committee would like feedback from the coaches about having an extra coach on a Monday and having up to 4 coaches on a Weds. The next coaches meeting is May 5th. **AR** to email Nick.

8. AOB

- The Snow Centre has been approached by Chris Drake about running another event for Ed. The Centre would like the HSRC to assist in running the event.
- Aim to get the timing set up on the first Monday in every month starting on May 3rd.
- We are looking in to the possibility of holding a Christmas social at the centre. **SL** will discuss with Donna in catering.
- Next meeting – Thursday 20th May

Jacqui Aikens
