TRAINING

Still people not informing us, very few now though.

People telling us coming but not turning up with no indication or reasons. Must admit very much better now

Suggest we set deadline for letting us know and if wanting to come after that MUST ask by email to either me or Jacqui.

- It was suggested that all of the minis on the waiting list will be trialled on a quiet night at the centre. If this proves successful we could then do the same for the juniors and adults
- **SD** suggested that training for full members remains at £16.

- Membership only runs until the end of October to fall in line with SSE.
- Birthday free ski cannot be used for race training, it is for recreational skiing.

#### 5. Landgraaf Training weekend

- no further update
- **Amanda** will speak to Phil for more details

#### 6. Summer League and Racing

- A draft calendar from SSE has allowed ERSA to pick slots but not allocate to ERSA slopes.
- We need to decide how we as a club want to run the Hemel SL. **Cathy**, as race manager, needs to go to the ERSA race managers meeting to put our views forward.
- We are going to investigate running a fun race at the Snow Centre in early March for Hemel members and associates. It will most likely be on a Sat eve between 5 – 10pm with food arranged by us. We would like to have 2 runs – a combi race and a slalom but if time permits a GS aswell. All profits from this race will go to the Paraplegic Olympic team and **Steve** will see if any one from there would be able to come and give out prizes.
