Landgraaf Report

A really successful weekend. A well run race and the Hemel racers were a credit to the club and won the overall cup. The camping worked well and there was a good feeling of co operation between all of the clubs.

We would like to look at running a Hemel race camp there over a long weekend. Would like to send out an email to gauge initial interest.

Jon to investigate costs

Monday Late Session

Lost £500 over an 8 week period . There was a discussion about how we might make this viable.

- 1.Approach the centre about costs
- 2.Investigate changing times of the sessions

Technical Session

To be discussed next meeting

Snow and Rock Sponsorship

£350 towards the Hemel CN expenses and will hopefully cover the cost of trophies, club will cover any shortfall. They will also give vouchers for 1st 2nd and 3rd in each group.

Hemel ERSA COR 26th June

Need to find a volunteer

Amanda

Hemel CN/GP July 16th/17th

Need to encourage Hemel entry

Race Reports

Stephen Bradley to write a report for the website

Stephen

Behaviour and Discipline

A few racers were quite badly behaved during the dual slalom at training on Mon 7th training – pushing in and not going when told to. We need to alert parents to this and so we will send out an email to the club outlining our expectations.

Amanda to Email the membership

Phil will also remind the coaches about behaviour in their groups

Phil to email coaches

Insurance

The insurance company are happy for the committee to supervise activities on the slope when the coaches are unavailable as long as we are organised and in control of the activity. However we must not coach or instruct.

Trophy Display

We need to approach the Snow Centre to see if we could have a display cabinet, the trophies are currently on display in the foreign exchange office.

Steve

AOB

There is netting near the kicker to protect the racers.
Next meeting July 7th
