Action:

Payment

Try and encourage pre payment especially if racers arrive late. Move upstairs to take the money. We need to share covering the later session between us. The early ladies can stay until 8pm but will need to be relieved by the later shift.

Ratio of coaches to trainees

Various coaches have been approached but we are awaiting confirmation from Phil. Hemel coaches who will be available are SR, SC (but not both sessions),PF and occasionally JR.

Work on a rough 1:10 .Probably need 3 coaches from the second week in April.

This can be discussed at the coaches meeting on April12th.

Personal devpt plans

Need to reactivate these in response to parental interest in their children's progress.
