Minutes	Action:
<p>Matters Outstanding All ERSA CN's will have an ERSA GS series after the main race not just the indoor races as originally stated in the March minutes.</p>	
<p>Races/Competing Lots of races in the region coming up this season. We would like to encourage as many of our members to race as possible. We will hold an open forum for parents to explain the 'ins and outs' of racing in the bar on Mon 23rd as the first race is on April 29th. Paul R will go to Welwyn and video the summer League so we can show parents what a race is actually like! Marco is offering training at Welwyn to support the outdoor races. Hemel SL on June 10th COR will be Don Daley (with support) Embroidered badges for the CN are working out too expensive</p> <p>Coaches Meeting There was a suggestion that the training portal should be closed on a Friday night but the coaches were happy to wait until Sun night to be told if they were available. Group changes were discussed and by the end of the month (April) the changes should be completed and an</p>	<p>Committee PR MB</p>

email will be sent to the parents explaining this.
The group programmes will hopefully be put on the website.
Coaches qualifications need documenting and keeping up to date.
Phil would like to run a parents forum early in May to explain the training philosophy/organisation. The committee would be happy for this to take place.
We would like to have a committee member to act as training liaison and Don is happy to do this.
We would like the groups to be assessed twice a year.
To keep a track of groups each child in each group will be given a coloured laminated card that they need to hand to their coach at the beginning of the session. Each coach will be told what colour card they need to collect and the coaches need to hand the cards back to Steve or Jacqui at the end of the session.(early session only) We will trial this on Mon 23rd.
Timing for Marco/ Steve/Darren's group on Mon 30th April

One drill is broken and we need to replace it.
The slalom poles need to be removed carefully as they break if they are pulled out incorrectly.
Only people who have been trained to drill by the centre are allowed to drill to set poles.

AOB

We would like to talk to the centre about the possibility of having another evening session for race training with poles.

Andrea to speak to Brad

Steve asked to buy a new dongle.

Phil to respond

Suggest May 14th as a possible date for Phil's parent forum.

We need to publicise the racers achievements at all races .We have had a lot of success recently that we need to highlight this. A newsletter every 2 months was suggested. We could also encourage the racers to let us know how they get on at races they attend.

Amanda to approach Justine
