- Day Registration allows an unregistered racer to compete in one Snowsport England Club National (or other event if specifically designated in the regulations for that event) in any one season.
- All such competitors must have completed a signed "Athlete's Declaration" before they will be allowed to race. If a declaration has already been completed (for example in a race in the previous season) then a second is not required.
- Fee of £5 is due for any competitor who is not currently a member of a club that is itself currently affiliated to Snowsport England
- Check the Race Calendar for race entry fee, there may be different entry fees for some races (e.g. indoor snow competitions).
- Late entry fee is £10 but you should check to see if the race organizer is waiving this fee.
