

ERSA - Welwyn Results

The results for the weekend Welwyn race are [online](#),

Thank you to everyone that took part today and all the helpers from the club and the region. Don't forget next weekend we have the Club Nationals at Norfolk and Ipswich so time to enter online.

Team Evolution and Ski Bartlett

A big thanks to our returning sponsors for the Team Evolution ERSA Summer League - Team Evolution, Ski Bartlett & Rossignol.

Between them they have a whole range of prize to give away across the Summer League Series. For this year, all podium winners will receive a Team Evolution t-shirt, with specific age groups also receiving vouchers from Ski Bartlett.

Each race in the series will also see a chosen age group win a free place at the Team Evolution ERSA Training weekend at Brentwood Park in September, with this weekends race at Welwyn awards going to the U18s.

Team Evolution are also giving away four 1 week Test Camp places to talented athletes from the U12 & U14 age groups, and these all inclusive alpine camps will be allocated based on the combined ERSA rankings for males and females throughout the whole Summer League - looking at which U12s & U14s are most versatile across both surfaces and who supports the whole ERSA Series.

Finally, Rossignol will continue to support the top 32 competition, with pole guards and shin pads being awarded to race winners at each event, and a set of skis going to the overall Series winner based on total points accumulated (out of U12s and Over 12s)

Team Evolution have a series of UK based training camps going on through the summer months, so take a look at the booking site to find out more - www.teamevolution.eu/booking.php, as well as details on their year round programme and alpine training camps for U12s, U14s and U16s.

Rossignol are supporting up coming British skiers with their Rossignol Race programme and more details on this can be viewed at www.rossignolrace.co.uk, whilst Ski Bartlett are a stockist for Rossignol and every other Ski Brand available so visit their stand at Welwyn or online at www.skibartlett.com for every possible ski related need!

For more information on any of the brands supporting the ERSA Summer League please contact alex.reidy@teamevolution.eu or catch up with him at one of the ERSA events!

Helmets

This year please make sure you abide with the new Helmet rules issued by the Technical Delegate (TD) Forum, you can view them [here](#). Key messages are no camera mounts, soft or hard covers can cover the ears.

All Summer League races are online and you can enter the Norfolk club national on the 21st May and Vikings club national on the 22nd May online now.

Always proves to be a very good weekend.

If you would like to represent ERSA at the Snowsport England Inter Regional at Stoke on 3rd

July please contact chair@ersa.co.uk or

race_manger@ersa.co.uk.
